

INNOVATIONS IN DENTISTRY

Waterlase
ENDODONTICS™

An Evening with Dr. Gary Glassman

Join Dr. Gary Glassman for an informative evening discussing how clinicians are significantly improving the predictability, efficiency and patient experience of their root canal procedures, with the Waterlase RapidEndo™ protocol.

SESSION HIGHLIGHTS:

- ★ **Improve efficiency** within your workflow, **more productivity** and **less fatigue**
- ★ **Less post-op patient discomfort**, less chair time and more single-visit cases
- ★ **Exceptional fluid dynamics**, experience better efficiency within your current workflow and continue to use your irrigant of choice
- ★ Cavitation bubbles extend reach into lateral canals, radial firing tips allow for **predictable efficient disinfection**, even in the hard-to-access apical third
- ★ **Versatility** in disinfection, apicoectomy, soft-tissue and more—all in one technology
