DENTAL PROJECT PLANNING: DAY OF EXPERTS

June 19 – 22, 2025

PRESENTERS

JASON NGHEIM – Cirrus Consulting Group

With over 15 years in financial advisory and healthcare leasing, Jason is a seasoned healthcare leasing consultant at Cirrus Consulting Group – North America's preeminent commercial real estate and office lease negotiation firm for dentists. He excels in building relationships, solving problems, and has aided hundreds of doctors annually in dental business strategy and transition planning. Jason's expertise and client-focused approach make him a valuable asset in the healthcare leasing realm.

NADDER JOHMA – GH Construction

Nadder is the owner of GH Construction. In his role, he takes a highly consultative approach to his dental clients, helping them understand the ins and outs of the construction industry and how this affects their decisions. Whether the clinic requires a facelift, a small renovation, or a complete overhaul, Nadder works to educate his clients on properly spending money in construction to best maximize business potential. Nadder and his team will maximize the investment while minimizing his clients' stress and downtime, and allow them to focus on what they do best-serving their patients.

JENNIFER BUCHANAN – Jennifer Buchanan Design

In 2012, Jennifer founded her own interior design firm that specializes in dental clinic design. The constant evolution of clinic infrastructure and specific association requirements have been paramount to the consultation process and clinic development. She works directly with her clients to create spaces that are unique to each practice and help create supportive spaces to meet the needs of their clients and their team. While processes can be foundational, each space delivered is curated to each client and its end users.

CAMERON & DEANA STRINGHAM – Stringham Dentistry

Cameron has completed continuing education in a number of areas of dentistry including sleep apnea and snoring, Invisalign, dental surgery and implants, as well as cosmetic dentistry. His joy is when he is able to perform his regular duties as a general dentist, allowing him the privilege of visiting with patients and discussing and treating their specific needs. Deanna is the clinic manager at Stringham Dentistry, and has a wealth of hands-on experience in practice planning, having overseen the clinic's recent renovation in 2021.

ROB WILD – TD Bank of Canada

Rob is the Regional Manager of the TD Professional Banking group for Edmonton, Alberta North & Saskatchewan. Collaborating with a team of Account Managers, Rob provides healthcare & business professionals valuable advice to help clients reach their business and personal financial goals. He specializes in working with professionals looking to purchase or build their own professional practice. Over his 25 years with TD, Rob has given many informative & insightful presentations & seminars to healthcare and business professionals, as well university professional student associations on various key financial topics.

DR. DEREK NORDSTROM – Toothe

Dr. Nordstrom has been practicing dentistry since 2005 and is passionate about the business of dentistry. In addition to owning two dental offices, he is the founder of Toothe, a privacy compliance company whose mission is to make privacy compliance easy for dental professionals. Derek speaks on Information Security and HIA compliance in an effort to educate and improve compliance in the dental industry..

TOM CHRISTENSEN – Yates Whitaker LLP

Tom graduated with a Bachelor of Commerce in 2004, a Masters of Professional Accounting in 2006 and received his Chartered Accountant designation in 2008. He started working in the Alberta business community during his education and has had a business presence ever since. He has been with Yates Whitaker LLP since 2007, first as a senior accountant, then a partner in 2009, and managing partner in 2012. Yates Whitaker LLP was named a Profit 500 Company in 2017, the only CPA firm to make the list.
