### Discover:

- + How iTero Element 5D Plus enhances patient communication through one scan that simultaneously records 3D images, color photos, and NIRI caries detection
- + How iTero applications such as Occlusogram, Timelasp and the NEW Outcome Simulator Pro can grow your practice
- + The seamless dental lab integration/communication

### About the speaker:

Jenna Azarko studied Dental Hygiene at the University of Alberta, and practiced as a Dental Hygienist for three years thereafter. Jenna joined Henry Schein in 2014 as the Digital Cad/Cam specialist. In early 2022, she joined the Align Technology team as territory manager of Manitoba and Northern Alberta for the high-performing iTero scanner.

To register, please go to <https://bit.ly/3FoiqWF> or scan the QR code before November 25<sup>th</sup>, 2022.
