**RSVP**

go to <https://bit.ly/3Dyr8QR> or scan QR code before November 24<sup>th</sup>, 2022

Bring your practice into the Digital Age with the iTero Element 5D Plus scanner, and enhance workflow while increasing standard of care and driving revenues and profits.

Discover how iTero Element 5D Plus can help you educate and enhance your patients' experience, and ultimately say 'Yes!' to the treatment they need.

Learn more about the latest technology such as 5D Near Infrared Imaging, chairside printing and milling, and in-face treatment visualization!

## Educational Objectives

- + Discover how integrating digital conversations and workflows utilizing the iTero 5D Plus system can add a 'wow' factor to routine dental appointments, while capturing your much needed records.
- + Recognize the power of utilizing the iTero Element 5D Plus applications for all your restorative, implant, ortho and preventative needs.
- + Take a look at what Same-Day Dentistry can do for you and how to implement Chairside Printers and Mills, offering a unique and efficient solution to your patients.

To register, please go to <https://bit.ly/3Dyr8QR> or scan the QR code before November 24<sup>th</sup>, 2022.
