Considering opening a start-up or relocating?

Thinking about remodelling or expanding?

Whose support will you require?

Where do you begin?

What steps are involved?

Do you aspire to build the practice you've always dreamed of? A practice that fully represents your tastes, talents, personality, and core values? Whether you're planning your first or launching your fifth office, whether you are ready to begin or simply exploring your future opportunities, we will discuss, knowing the **numbers, financing, location, leasing, permits, interior design, construction, equipment selection and the business of dentistry** skills for a strong opening. Join us for an exciting evening of learning with the industry experts involved in supporting your project and overall practice success.
