

# Training and Retaining – *Getting your ducks in a row*

Join author, speaker and recruitment expert **Melissa Barlock** of Enspire Dental Opportunities, together with **April Smith** of Lakeshore Dental Consultants Inc. for a fun-filled day of learning and team building activities.

- + Dive into a wealth of strategies and expert tips that will redefine the way you approach attracting and retaining top talent!
- + Put yourself into compliance with your regulatory college and Ontario Public Health by learning your responsibilities under the Occupational Health and Safety Act. Gather policies, procedures and a CE Certificate!

An interactive vendor tradeshow will connect you with the top manufacturers in the dental industry. Enjoy a light breakfast, BBQ lunch and the chance to network with your colleagues!

**Friday, June 21, 2024**

**8:00am – 4:00pm**

Registration: 8:00am – 8:30am

Lecture: 8:30am

**Fort Henry Events Centre**

4 Fort Henry Dr, Kingston, ON K7K 5G8

**\$125(+tax)/Person**

Light refreshments, breakfast and lunch will be served.

**To register, click [here](#) or scan QR code before June 14, 2024**

No refund beyond the registration deadline

For inquiries, please contact Micheline St Denis at [MStDenis@sinclairdental.com](mailto:MStDenis@sinclairdental.com) or at 613-690-2602.

## S P E A K E R S

### Melissa Barlock

#### *Enspire Dental Opportunities*

Melissa is a best-selling author, international speaker, and the founder & CEO of Enspire Dental Opportunities, a full-service dental recruitment agency that helps dental professionals find permanent and temporary roles across Canada.

Melissa has over 15 years of experience as a speaker and group facilitator. She works with individuals, groups, and organizations to amplify their leadership skills and empower them to become a better version of themselves.

### April Smith

#### *Lakeshore Dental Consultants Inc.*

April has been educating and motivating dental clinicians for over 25 years. She provides compliance training including Occupational Health and Safety, WHMIS, and AODA. April is also an infection control specialist with expertise in dental unit waterline management. She has provided lectures to Ontario Public Health Units, The Canadian Institute for Public Health Inspectors, regulatory and membership organizations, study clubs and dental distributors. Her clear and concise delivery is well respected by dentists, denturists, hygienists and dental assistants throughout Ontario. Her passion for the industry comes through in her ability to coach and guide clients through new learning experiences and she is recognized as always providing the most current and relevant information in her engaging presentations.
